Disclosure Stmt

SELLER'S PROPERTY DISCLOSURE STATEMENT This form recommended and approved for, but not restricted to use by the second state of the second state
The state of the Pennsylvania Association of PRAL TORRO (D. 1.1)
1 South Broad St. Muerstown FA 17067
BELLER, Joann Steffy
The Real Estate Seller Disclosure Law (68 P.S. 87301 et acre)
The Real Estate Seller Disclosure Law (68 P.S. §7301 et seq.) requires that a seller of a property must disclose to a buyer all know material defects about the property being sold that are not readily observable. While the Law requires certain disclosures, this state
ment includes disclosures beyond the basic requirements of the Law in an effort to assist sellers in complying with seller disclosure requirements and to assist buyers in evaluating the property being considered. Sellers with a complying with seller disclosure
requirements and to assist buyers in evaluating the property being considered. Sellers who wish to see or use the basic disclosure form can find the form on the Web site of the Pennsylvania State Real Estate Commission.
can find the form on the Web site of the Pennsylvania State Real Estate Commission.
This Statement discloses Seller's knowledge of the good in
tute for any inspections or warranties that Buyer may wish to obtain. This Statement is not a warranty of any kind by Seller or a warranty or representation by any listing real estate broker, any selling real estate broker.
warranty or representation by any listing real estate broker, any selling real estate broker, or their licensees. Buyer is encouraged to
address concerns about the conditions of the property that may not be included in this Statement. This Statement does not relieve
Seller of the obligation to disclose a material defect that may not be addressed on this Statement. This Statement does not relieve complete the disclosure form even if the seller does not occurry or has present a seller is obligated to
complete the disclosure form even if the seller does not occupy or has never occupied the property. For a list of exempt sellers, see Information Regarding the Real Estate Seller's Property Disclosure Law found on the last page of this document.
biselest troperty Disclosure Law found on the last page of this document.
The state of the s
the value of the property or that involves an unreasonable risk to people on the property. The fact that a structural element, system or subsystem is at or beyond the end of the normal useful life of such a structural element, system or
subsystem is at or beyond the end of the normal useful life of such a structural element, system or rial defect.
The state of the s
42-state does apply to the property out you are not sure of the answer.

Yes No Unk N/A ADDITIONS/ALTERATIONS (A) Have any additions, structural changes, or other alterations been made to the property during your ownership? Itemize and date all additions/alterations below. (B) Are you aware of any private or public architectural review control of the property other the zoning codes? Note to Buyer: The PA Construction Code Act, 35 P.S. §7210 et seq. (effective 2004), and local code establish standards for building and altering properties. Buyers should check with the municipality of determine if permits and/or approvals were necessary for disclosed work and if so, whether the were obtained. Where required permits were not obtained, the municipality might require the currence owner to upgrade or remove changed made by the prior owners. Buyers can have the property inspected by an expert in codes compliance to determine if issues exist. Expanded title insurance policies may be available for Buyers to cover the risk of work done to the property by previous owners without a permit or approval. Note to Buyer: According to the PA Stormwater Management Act, each municipality where the property is located may impose restrictions on impervious or semi-pervious surfaces added to the property. Buyers should contact the local office charged with overseeing the Stormwate Management Plan to determine if the prior addition of impervious or semi-pervious areas, such a walkways, decks, and swimming pools, might affect your ability to make future changes.

4. Are you aware of any existing, past or proposed mining, strip-mining, or any other excavations that might affect this property?

Note to Buyer: The property may be subject to mine subsidence damage. Maps of the counties and mines where mine subsidence damage may occur and mine subsidence insurance are available through: Department of Environmental Protection, Mine Subsidence Insurance Fund, 25 Technology Drive, California Technology Park, Coal Center, PA 15423 (800) 922-1678 (within Pennsylvania) or (724) 769-1100 (outside Pennsylvania).

(B) Preferential Assessment and Development Rights

Is the property, or a portion of it, preferentially assessed for tax purposes, or subject to limited development rights under the:

1. Farmland and Forest Land Assessment Act - 72 P.S.§5490.1 et seq. (Clean and Green Program)

2. Open Space Act - 16 P.S. §11941 et seq.

3. Agricultural Area Security Law - 3 P.S. §901 et seq. (Development Rights)

4. Any other law/program:

Note to Buyer: Pennsylvania has enacted the Right to Furm Act (3 P.S. § 951-957) in an effort to limit the circumstances under which agricultural operations may be subject to nuisance suits or ordinances. Buyers are encouraged to investigate whether any agricultural operations covered by the Act operate in the vicinity of the property.

(C) Property Rights

Are you aware of the transfer, sale and/or lease of any of the following property rights (by you or a previous owner of the property):

1. Timber

2. Coal

3. Oil

4. Natural gas

5. Other minerals or rights (such as farming rights, hunting rights, quarrying rights) Explain:

Note to Buyer: Before entering into an agreement of sale, Buyer can investigate the status of these rights by, among other means, engaging legal counsel, obtaining a title examination of unlimited years and searching the official records in the county Office of the Recorder of Deeds, and elsewhere. Buyer is also advised to investigate the terms of any existing leases, as Buyer may be subject to terms of those leases.

Explain any "yes" answers in section 17:

18. FLOODING, DRAINAGE AND BOUNDARIES

(A) Flooding/Drainage

1. Is any part of this property located in a wetlands area?

2. Is the property, or any part of it, designated a Special Flood Hazard Area (SFHA)?

3. Do you maintain flood insurance on this property?

4. Are you aware of any past or present drainage or flooding problems affecting the property?

5. Are you aware of any drainage or flooding mitigation on the property?

6. Are you aware of the presence on the property of any man-made feature that temporarily or permanently conveys or manages storm water, including any basin, pond, ditch, drain, swale, culvert, pipe or other feature?

7. If "yes", are you responsible for maintaining or repairing that scature which conveys or man-

ages storm water for the property?

Explain any "yes" answers in Explain any "yes" answers in section 18(A), including dates and extent of flooding and the condition of any man-made storm water management features:

(B) Boundaries

1. Are you aware of any encroachments, boundary line disputes, or easements affecting the property?

Note to Buyer: Most properties have easements running across them for utility services and other reasons. In many cases, the easements do not restrict the ordinary use of the property, and Seller may not be readily aware of them. Buyers may wish to determine the existence of easements and restrictions by examining the property and ordering an Abstract of Title or searching the records in the Office of the Recorder of Deeds for the county before entering into an agreement of sale.
